

Weekly Musicianship Checklist

Each band/choir student earns a weekly musicianship grade.
Listed below are the criteria for determining each week's grade.

- | | |
|-----------|--|
| 20 Points | The student always has needed materials at hand and in order for class: pencil, music folder, sheet music, method books, instrument specific materials-reeds, oils, drum key, mallets, approved sticks.
The student always actively engages in rehearsal without hesitation.
The student consistently demonstrates proper posture for playing. |
| 15 Points | The student wastes valuable time by having to search for materials once, OR
The student is found not using proper posture once during the week, OR
The student is found not actively engaging in rehearsal once. |
| 10 Points | The student is missing materials/has to search for them on two occasions, OR
The student is found not using proper posture on two occasions, OR
The student is found not actively engaging in rehearsal two times. |
| 5 Points | The student is missing materials/has to search for them on three occasions, OR
The student is found not using proper posture on three occasions, OR
The student is found not actively engaging in rehearsal three times. |
| 0 Points | The student is missing materials/has to search for them on four occasions, OR
The student is found not using proper posture on four occasions, OR
The student is found not actively engaging in rehearsal four times. |
